

HOW TO IMPROVE

Employee Communication, Reduce Conflict, and Increase Productivity

Ever heard these?

“Meetings are a waste of time... I think we speak different languages... Our best workers aren't getting along and it affects all of us... We are all moving in different directions...

The team doesn't bring up the 'real' issues... S/he is not living up to their potential.”

The Solution...

DIANE AMUNDSON'S POWERFUL SPEAKING TOPICS AND WORKSHOPS

will help your organization *communicate more effectively* with your employees, *reduce conflict* and *improve productivity!*

- ▶ **Conflict Resolution-** Learn how to move from conflict to consensus between individuals and groups in conflict.
- ▶ **Strategic Planning-** Help your organization create a road map and action plan of where it would like to be in 3-5 years with all key players excited about getting there.
- ▶ **Thinking and Communication Styles-** Learn how to communicate more effectively with people who think differently from you.
- ▶ **Generations in the Workplace-** Discover the beliefs, attitudes and values of the four generations in today's workplace and how we are much more similar than different.
- ▶ **Leadership Coaching-** You have a valuable employee that is not living up to their potential and they need assistance in changing behaviors that keep them from delivering better results.
- ▶ **Team Building-** Discover the roadblocks that keep teams from performing at a higher level and how to overcome them.
- ▶ **Networking-** Discover how to make connections that count by developing an elevator speech that will make a lasting impression.

What Clients Have To Say...

“Your Employees Will Learn

I continue to hear great comments about your seminar! Our employees loved your enthusiasm and I think they really recognized themselves as well as learned about the other generations working around them! Thanks for the great presentation!

Chris Jaunich, Human Resources, UMC Inc.

Employee Communication Will Rise

Thank you for your outstanding presentation on leadership. We appreciate the opportunity to network and share management ideas to build our leadership teams.

Kerre Reszka, Wells Fargo Bank

Conflict Will Decrease

Diane did an excellent job of tailoring the program to meet our specific needs. She helped to make us more effective and efficient in our processes. We walked away with a better understanding of how each other 'works.'

Michael Van Straaten, VP Investments, The Van Straaten Wealth Management

These ideas will allow me to be an effective leader and promote my staff's strengths vs focusing on their weaknesses.

DBRupp, Controller, DS Manufacturing

Production Will Increase

What was most effective about your presentation was the presentation materials and how it was presented. This will help our investment team grow.

John Van Straaten, Piper Jaffray

Thank you for exceeding our expectations in your presentation. Your package was timely, relevant, concise and fun. We have already seen some very positive results from your training session as teams are more focused, on schedule, generating better results and more fun

B. Squires, Sales Manager - Triad Manufacturing
